Contra Costa County Open Space Funding Authority Governing Board

Meeting Notice and Agenda

Date: Tuesday, July 27, 2004

Time: 1:00 p.m.

Location: Contra Costa County Board of Supervisors Chambers

Contra Costa County Administration Building, Room 107

651 Pine Street, Martinez

- 1. CONSIDER establishing a time limit of three minutes per speaker when accepting public comment.
- 2. Public comment on issues within the Authority's jurisdiction and not included on the agenda.
- 3. OPEN HEARING on formation of Assessment District, the Contra Costa County Open Space Funding Authority, Parks and Open Space Protection and Preservation District.
 - a) Staff presentation;
 - b) RECEIVE public testimony on the formation of the Assessment District;
 - c) CLOSE the public testimony portion of the public hearing;
 - d) Consider DIRECTING tabulation of assessment ballots received before the close of the public testimony portion of the public hearing;
 - e) CONSIDER continuing public hearing to August 10, 2004 at 1 p.m. to consider results of assessment ballot tabulation, staff report on questions and comments made during public testimony, and possible formation of the Assessment District and possible imposition of the fiscal year 2004-05 assessments.

4. Adjourn.

Staff will be available during the public testimony portion of the public hearing to accept written requests to withdraw ballots submitted previously and to issue replacement ballots. Completed assessment ballots may be delivered in person at the hearing, but must be received by the Authority prior to the close of the public testimony portion of the public hearing to be tabulated.

The Authority will provide reasonable accommodation for persons with disabilities planning to participate in the meeting who contact staff at 335-1290 72 hours before meeting. Access a telecommunications device for the deaf by calling 1-800-735-2929 and asking the relay service operator for (925) 335-1290.

For questions about this meeting or the materials being discussed, please contact staff as described above. Information is also available on the project website:
